Duyen Dinh

Product Manager

(+46) 73 972 6836 | myduyen28ftu2@gmail.com | LinkedIn: Duyen Dinh | Portfolio | Stockholm, Sweden

PROFILE

Product Manager with 4+ years driving onboarding, activation, retention and monetization for a 500M+ user B2C mobile app, and 3+ years in project management before moving into product. Ran **60+** experiments, delivering **+20%** registration rate, **+15pp** D7 retention and **+16-72%** premium conversion from onboarding. Use AI tools to automate team processes, analysis and prototyping, including an AI design review tool now used across the company. Strong in experimentation, SQL/BigQuery, funnel analysis and stakeholder management; well organized, resilient and a lifelong learner.

PROFESSIONAL EXPERIENCE

Truecaller (True Software Scandinavia) | Stockholm, Sweden — Jul 2022 - Present

Truecaller is top 1 Caller ID & spam protection app with 500M+ users worldwide

Product Manager, User Growth

- Own and optimize onboarding funnel (registration + verification) on Android and iOS, improving registration rate by **+20%** worldwide through A/B tests.
- Designed and launched a 7-day new user experience in growth markets, increasing Day-7 retention by **+15pp** over 3 years; push notifications educating new users reached **5x** normal CTR.
- Launched a protection level step in onboarding that links spam protection to Premium; **4x** more purchases in onboarding and **+16-72%** premium conversion across markets.
- Owned app upgrade process, upgrading **88%** of app users to target version; documented the process and handed it over to the Release team.
- Improved permission grant rates for core app functions by **+14%** for new users with a new onboarding flow, and by **+7pp** for existing users through an App Health Check screen.
- Navigated compliance changes across markets, working cross-functionally with Legal, Engineering and Product, shipping US age verification on Android and iOS on deadline, consent logging, GDPR and India DPDP requirements in onboarding.
- Awarded Special Recognition (2024) and Product Excellence (2025) Global Performance Awards; won 1st and 2nd place at company Lab Days (2026).

National One-stop Services and Investment (NSO) | Vietnam — Nov 2017 - May 2020

NSO provides consulting and operational support for foreign investors.

Business Development Team Leader and Project Manager, start-up investment projects

- Developed business development strategy and launched new rental property offerings in emerging industrial areas, supporting 100+ service apartments and office buildings (2018-2020).
- Delivered **120%** and **135%** of annual revenue targets in 2018 and 2019.
- Built and iterated operational processes using HQ playbooks; supported CEO and served as main contact for foreign investors, preparing investor pitches and documentation.

SIDE PROJECTS

Seen: Goal and streak tracker that shows goals on the iOS lock screen. Built with Claude.

Lexi Scan: AI flashcards maker for language learners that turns scanned text into vocabulary flashcards with spaced repetition. Built with Claude.
